

Desoto Railway Bridge, Widnes.

Roy Hankinson Limited & Halton Borough Council

- Access scaffold
- Support scaffold
- Roof scaffold
- Façade scaffold
- Demolition scaffold

A maintenance schedule was planned for Desoto Railway Bridge in Widnes. This schedule included for shot blasting, repainting existing steelwork and concrete repairs to the bridge.

Birdcage scaffolding was required for the sides of the bridge, with suspended scaffold spanning the railway line. All erecting and dismantling of the scaffold was completed and carried out during the restricted possession times by fully qualified operatives.

Bolton Scaffolding, safely bringing everything within reach.
