

Bolton Scaffolding, safely bringing everything within reach.

What we do

We provide value in temporary scaffolding services for empty or occupied buildings, priding ourselves on our 30 year experience and health & safety record.

Our customers have long standing and valued relationships with us, where we react to highly responsive requirements, timescales or deadlines.

The temporary scaffolding services we provide are:

- Access scaffold
- Support scaffold
- Roof scaffold
- Façade scaffold
- Demolition scaffold
- Temporary roofs
- Railway bridges
- Road bridges

Where we operate

We specialise in servicing our customer base within the North West of England. Operating within this geographic region enables us to offer quality customer servicing packages to our customers.

How we work

We are members of the National Access and Scaffolding Confederation (NASC), and continuously work towards best practice within our industry.

Onsite we have qualified trusted operatives that deliver your needs and expectations, and arrive in branded livery and work wear.
